Year: 1994

South Pine Linear Park is located on the west side of South Pine Street between St. Andrews Street and Forest Avenue. This trail offers a 6 foot wide pedestrian path with benches. This convent trail offers a safer, non-motorized transportation option from Pine Street, near the YMCA, to Union Street, near Duncan Park Lake Area. The South Pine Street Linear Park parallels Converse Heights neighborhood which allows for a safe community and public gathering place in downtown Spartanburg.
