

# Pacolet Nature Trail Phase 1

## Trail and Beautification

Town of Pacolet

\$74,255

Year: 2005

The Pacolet Nature Trail Phase 1 is an educational nature based pedestrian trail that connects sidewalks in the community and provides a link to residential areas with cultural resources, economic centers and environmental amenities. The trail is approximately 1.5 miles in length. It begins at the Pacolet Amphitheatre and ends at Pacolet Middle School. Future plans include extending the trail to connect with the library and Central Business District as well as connecting existing sidewalks.
