

# North Pine Street Bridges

## Beautification

City of Spartanburg / Graffiti Foundation

\$72,176

Year: 2002

The North Pine Street Bridge beautification project involved the clearing and landscaping areas adjacent to two bridges located on North Pine Street. This enhancement project continues to provide visual interest to commuters. The North Pine Street Bridge project also assists in providing improved air quality and reducing noise control on a very busy road in Spartanburg County.
