

Cowpens Train Depot Restoration Phase 2 Historic Preservation

Cowpens Historical Association

\$29,648

Year: 2007

In 2007 the Cowpens Train Depot underwent major renovations. The building was painted inside and out, the hardwood floors were sanded, a new heating system was installed and a new roof put on this historic landmark. The beautiful building is located on the corner of Brown Street and Palmetto Street right off Main Street in Cowpens. The newly renovated building is open to the public for reunions, meetings, dinners and educational tours.
