

# Willis Road Path Phase 2

## Trail

Spartanburg County

\$210,500

Year: 2006

The Willis Road Path Phase 2 begins at Caldwell Road where Phase 1 left off and continues to Westside Fitness Club and Cooper Line Road toward Westview Elementary School. A shared use bicycle and pedestrian path was constructed on Willis Road. This provides a safe, accessible and well connected pat for active commuters. The path increases the capacity of a significant arterial road and alleviates danger and congestions that results from on-road pedestrians and bicycles. Willis Road Path Phase 2 is a 6 foot wide multi-purpose trail that is approximately .75 miles in length.
